

Mission of Trident Technical College

Trident Technical College is a public, two-year, multi-campus institution which provides quality education and promotes economic development in Berkeley, Charleston and Dorchester counties. TTC is a member of the State Board for Technical and Comprehensive Education system.

As an open-door institution of higher education, the College provides lifelong learning opportunities for traditional and nontraditional students. These opportunities enhance the economic, social and cultural life of the community. Accessible and responsive to the needs of this multicultural community, TTC prepares students for a rapidly changing global environment.

Each semester approximately 12,000 credit students enroll in programs leading to college transfer associate degrees and technical ~~associate degrees, diplomas and certificates~~ ~~certificates, diplomas and associate degrees as well as one bachelor of professional studies degree~~. The curriculum includes programs in Allied Health Sciences; Business Technology; Community, Family and Child Studies; Developmental Studies; Hospitality, Tourism and Culinary Arts; Humanities and Social Sciences; Industrial and Engineering Technology; Law Related Studies; Nursing; and Science and Mathematics. To foster student success, TTC provides developmental education and comprehensive student services.

Using communication and problem-solving skills, graduates draw on knowledge from a broad range of disciplines to make decisions and perform tasks, working as individuals and as team members.

As a state and national resource, TTC provides continuing education courses, customized education and training for business, industry and government, and a variety of activities and services, including facilities for The Center for Accelerated Technology Training to offer employment training programs.
